

Flea - "The same five Questions"

"Jane" (November 2002)

Flea, 40 has forever been everybody's favourite Chili Pepper. He's so adorably impish, that he could set fire to your living room and you'd just go: "Oh that Flea! he's so crazy", while gently patting out the flames. Along with durling and his bass going, you can find him as the voice of Donnie on Nickelodeon's eco-friendly 'The Wild Thornberry's', which makes it's big screen debut this month. According to Flea, My Thornberry's character is a wild free flowing maniac." Central casting really went out on a limb there.

Jane: What would you do if you were a ghost?

Flea: I'd try to get out of the netherworld. Ghosts are kind of stuck in the in between stage, because they're afraid to surrender to the next dimension. So, I would have to dive off the cliff into the next dimension. Come what may.

Jane: Have you ever faked an orgasm?

Flea: Uhm, yes, I was having sex and I just wanted to stop. Hold on, isn't this a kid's magazine?

Jane: Hardly, what's the closest you've come to being arrested?

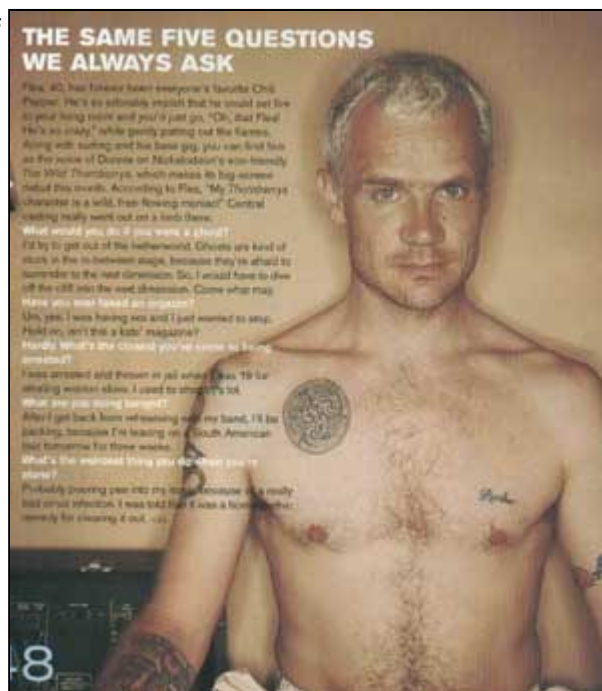

Flea: I was arrested and thrown in jail when I was 19 for stealing wonton skins. I used to shoplift a lot.

Jane: What are you doing tonight?

Flea: After I get back from rehearsing, with my band, I'll be packing because I'm leaving on a South American Tour tomorrow.

Jane: What's the weirdest thing you do when you're alone?

Flea: Probably pouring pee into my nose, because of a really bad sinus infection. I was told that it was a homeopathic remedy for clearing it out.
